Re: Summit Semiconductor LLC Certification Application
FCC ID: UA9100

To Whom It May Concern:

A portion of the data contained in this application is to be considered capable of placing us at a competitive disadvantage if it were to be made public before product release. Note that this submittal is for the modular product which is the raw, internal transmitter device without housing. The following data might be used to the disadvantage of Summit Semiconductor LLC by prematurely extracting design information, bill of materials cost, antenna sources, etc.

Per Public Notice DA 04-1705, Summit Semiconductor LLC requests holding the following exhibits confidential short term (180 day allotted period) until the device is introduced to the public for marketing:

- a. External photos
- b. Internal photos
- c. Test setup photos
- d. User manual

Thank you for your attention to this matter.
Sincerely,

James Svoboda
Engineering Manager
